About this catalogue

Who we are

Marshall Autoparts B.V. makes and supplies spare parts and components for commercial vehicles. The company was founded in 2006 and started with suspension parts for DAF, Scania, Volvo, MAN, Mercedes, Iveco and Renault trucks, and for trailers and semi-trailers.

MARSHALL is an international brand of reliable parts for cars and commercial vehicles, construction and agricultural machinery. Since 2006 MARSHALL has made European quality affordable.

Warranty

5-year international warranty on almost all MARSHALL parts.

How to read the catalogue

Order	Ranges by vehicle type, then product groups, then article number.
Article	The MARSHALL part number. Click it to open the part on our website.
Name	The name of the part.
Fits	Vehicle makes. Up to 3 are shown; +2 means two more. The full fitment is on the website.
OE numbers	Up to 3 main OE numbers per part, with the brand they belong to. The rest are on the website. In this edition OE numbers are listed for 5,630 of 19,324 parts.
Dash	A dash means the information is not in this edition.
Photos	This edition has no part photos.
